Warm welcome to today's guests: Todd and Greg alternates for Hecht and Hecht and Senvoy.

Today's Speaker: Virginia Bruce, Team Web introducing Steve Ferree, Mr. Rooter.

Virginia Bruce, Team Web, specializes in creating websites for small to medium-sized businesses. New websites up and running: Clean Factor, OEA and Daswani Tailors.

Steve Ferree, Mr. Rooter, purchased this after years in management with McDonald's. He and his wife, Michelle, know how to bring the customer service aspect into service plumbing. All of their technicians are well trained, groomed and courteous.

Due to the type of business, no phone quotes can be given. Each job needs to be evaluated and price quotes are given before the job is begun. Emergency calls can be made 24 hours a day.

Mr. Rooter recently moved into a new, larger facility. This is making response times faster and operators more efficient. As business continues to grow, they are ready with space and planning to meet the needs of customers.

Good leads for Mr. Rooter: homeowners, property managers, restaurants, handyman services.
